Tuesday, February 12th
7:30pm
Lockhart's BBQ
202E 3rd St, Royal Oak

doors open @ 6pm in the lower level (1st drink on us!)

*~ Bryan has served as the Executive Director of MITU since 2007. He has his doctorate in Fisheries Science from MSU and has been involved in fish research, fisheries management, stream enhancement, governmental affairs and more surrounding Michigan coldwater conservation. ~ Greg is the newly elected chair of MITU who has an Anthropology/Archeology background which he has used in his career identifying, assessing and protecting cultural resources in advance of development projects. With this understanding of the importance of our resources and protecting our coldwater fisheries Greg is an asset to TU **so please** come help us give Greg a big welcome!*

Current conservation efforts in Michigan and where we can help out

Highlights of introduction of Grayling & absence of fish in the North Branch of the Au Sable

Open forum with Greg and Bryan
