

Challenge Chapter Board Meeting
April 4, 2006

Present: Martin Van Fossan, Doug Shore, Tony Greening, Bill Thorsted, and Jeff Raphelson.

Treasurer's Report - Martin and Tony are handling the treasurer's duty while Dave Parker is out of town. We sent the check to CRWC and the account is still doing well. Some minor expenses were paid.

Education - Boy Scout merit badge on the 22nd. Fly tying class is over. Anyone buying \$5 of raffle tickets at the next meeting will get a chance to take some of the extra fly tying materials we have. Jeff is working on re-doing the fly tying guide.

Conservation - May outing is due at the meeting on 4/11. June and July deposits are due by 4/11 with remainder due May meeting.

Fundraising - Orvis rod will be raffled at next week's meeting. Fly expo was relatively good. Outdoor World was successful in selling \$200 in product plus making contacts at the shop to potentially sell our river guides.

Guidebooks - sales have been good so far this year, almost \$1900 in retail sales at the expo. DVD sales have been very good.

MI Council - Spring meeting is this weekend. We need someone to attend.

Riffles & Runs was sent outlast week.
